MEMORANDUM FOR: Director of Training

SUBJECT : Merger of the Midcareer Course and
Advanced Intelligence Seminar

REFERENCE : Memo dtd 15 May 73 to C/SIWA fm DTR,
same subject

1. In accordance with your directive in referenced
memo I propose the following courses of action:

- a. Complete the scheduled MC and AIS
programs through FY 73. This
involves completion of current MC
and running an AIS in May-June.
- b. Start now putting together a new
three-week course to replace MC and
AIS—perhaps to be called Advanced
Intelligence Course, to start in
September. This will involve dropping
the GRID, eliminating the field trip,
and re-structuring the three weeks
of substance.
- c. Organize two teams of staff members—
with plans to run this program ten
times per year with an enrollment of
30 Agency and 5 IC. This would increase
Agency student load from 200 to 300 per
year.

agree.

2. There are, of course, a number of additional factors
concerning which we will need a decision from you:

- a. At what GS grade, years in Agency, and age levels will we be directing this program?

- b. Can the facilities at [REDACTED] be made available to us to meet this increased load. Or—should we use [REDACTED] at all in view of IC involvement?

yes!

this.*

3. I suggest that this proposal be announced as soon as possible in order to give supervisors fair notice—since these are heavily subscribed programs which figure in career planning.
